CLINICAL CARE

On Being a Palliative Care Clinician During the Delta Surge

September 14, 2021 | By Rodney O. Tucker

Facebook Twitter LinkedIn

A palliative care leader, who had a breakthrough infection, shares how he and his team are coping during this emotionally draining time.

[Decisions for Loved Ones With Alzheimer's Disease or Other Dementia](#)

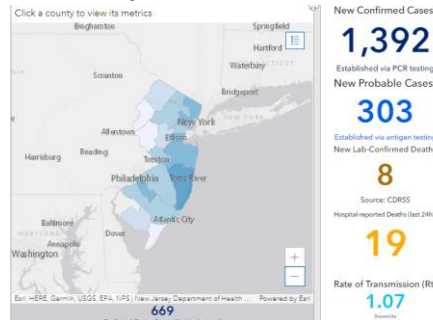

Making decisions for a loved one with Alzheimer's disease or dementia can be difficult. This video highlights why it is a good idea to discuss their preferences early and often, and it includes sample questions that can help ensure their wishes and needs are met to the greatest degree possible.
