Action Period 4

June 2nd, 2022, 9am-2pm

Bari Maffei
Palliative Care Social Worker
Chilton Medical Center

“Palliative care is important because...it puts the patient in the driver's seat. It gives them control over their own care. Distressing symptoms are managed and quality of life is improved. I choose to work in palliative care because I can work passionately for people who need advocacy and support.”
